

# Free - 1 Day Moving & Handling Awareness Course

PRISM MEDICAL UK

*Moving, Handling and Bathing Solutions™*

# Free - 1 Day Moving & Handling Awareness Course

## Course Objectives:

- To provide a brief overview and practical demonstrations of the Prism Medical UK range of products
- Demonstrate solutions to moving and handling problems

## Who Should Attend?

The course is aimed at Occupational Therapists, Physiotherapists and other professionals involved in the assessment or prescription of products for the moving & handling of people.

PRISM MEDICAL UK

The course is delivered by an experienced trainer and the format of the day will be informal and very much 'hands on'. An example of the content of a typical course is outlined below:-

- 9.45 am Registration & coffee
- 10.00 am Welcome & course overview

The content of day will include:

*Small moving & Handling product awareness including:*

*Glide sheets, bed management systems, transfer boards, handling belts, turntables*

*Hoisting & Sling Options including:*

*Ceiling track, portable and mobile hoists. 'Pros and cons' of ceiling mounted and mobile type hoists, slings- fitting / removal / manoeuvres, sling options*

*Shower chair options*

- 11.30am Coffee
- 1.00pm Lunch
- 3.30pm Close, feedback & evaluation
